Educational Statistics

College Navigator Website, Student Body Diversity

Student body diversity is addressed by the completion and submission of all IPEDS surveys which must be completed in a timely and accurate manner. It is mandatory for all institutions that participate in the Federal financial assistance programs authorized by Title IV of the Higher Education Act of 1965 as amended. The completion of the surveys is mandated by 20 USC 1094, Section 487(a)(17).

The collection and reporting of racial/ethnic data are mandatory for all applicants or expected to be applicants for Federal financial assistance as defined in the Department of Education (ED) regulations implementing Title VI of the Civil Rights Act of 1964 (34 CFR 100.13) or defined in any ED regulations implementing Title IX of the Education Amendments of 1972. The collection of racial/ethnic data in vocational programs is mandated by Section 421(a)(1) of the Carl D. Perkins Vocational Education Act.
